RESPONSE TO EXAMINER'S STATEMENT OF REASONS FOR ALLOWANCE

Commissioner for Patents:

The Examiner provided a Statement of Reasons for Allowance in the Notice of Allowability mailed on March 8, 2006. It is noted that the language used by the Examiner in the Statement of Reasons for Allowance does not precisely track the exact language contained in each of the claims. The claims are allowable based on the recitations contained in each and every claim, alternatively or additionally to the reasons set forth by the Examiner. Moreover, the claims are allowable over all of the references on record, and not just over the Russo article. Accordingly, the scopes of the claims are to be determined by the language contained therein and are not to be limited based on the Examiner's Statement of Reasons for Allowance.

Respectfully submitted,

SEED Intellectual Property Law Group PLLC
